

Dear Parents,

I would like to say huge thank you to all those who attended and supported our Firework display last Friday. It was another huge success with some very positive feedback from parents and children alike. I would like to take this opportunity to say a big thank you to our sponsors of the event, to my staff team for all their support in making the big event like this possible, and also to Mr Smith and Mr Sappiano (year 1 parents) for all their help on the day before and after the event. I'm sure everyone will be pleased to learn that we have since booked them again for next year – Friday 1<sup>st</sup> November 2019 – pop it in you diary now!

### Parents' Evening

Please note that all Parents' Evening request forms should be returned by now. Parents will receive their allotted time early next week.

### OUR NEW APP

I am very pleased to announce that we are rolling out a new APP – 'OurSchoolsApp', which can be downloaded onto your phone, as part of our drive to ensure parents are kept informed of the news and events here at Chancellor Park.

The app is free to parents to download and can be simply accessed via App store or Google Play Store. This App will allow us to send messages and notifications directly to parents such as club cancellations, reminders, snow days etc... and will also have to hand key information for parents to reference easily by the click of a button including the weekly newsletter, dinner menus and events diary. Please find below some basic download instructions, should you require any further support accessing this, please do not hesitate to contact us.

### Promoting British Core Values Award

As many of you will be aware each week we focus on one of our school's core values and ask you as parents to discuss the question we have posed at home with your child. We saw lots of fantastic responses to our weekly 'Big Question' initiative last term which fuelled some really high quality discussions and debates in class. Please continue to participate and encourage your child to give the weekly 'Big Question' some thought!

Our 'Big Questions' for next week will be linked to our value of CARE.

KS1 How can I care for the world? KS2 Take care of the Earth and she will take care of you. Discuss

This week our core value stars were awarded to: Rio (R) Scarlett (1), Emily (2), Matilda (3 Oak), Tilly (3 Elm), Neve (4), Ewan (5) Ella (6). They will now be having lunch on the top table with the other star winners, Mrs Power and Mrs Woodcock on **MONDAY**.

### PE Kit

Now the weather has changed we would ask that all children have their outside PE kit with them including tracksuit bottoms and top as outside PE lessons will still go ahead. Thank you.

**A Message from FOCP/School**

We have received some feedback with parental concerns about the recent Scholastic book fayre around the non-book 'accessories' being sold at the fayre, and in a couple of cases the price of the books. Please be assured that your feedback has been listened to, and was discussed at our PTA meeting last night, and we are currently making some enquiries with some other companies..
