

Class 1 Learning Overview 2019

Spring Term

| English | Maths | Theme | Other Subjects | What you can do to help your child this term |
|---|--|---|---|---|
| <p>This term we will learn the story of 'The Three Little Pigs'. We will retell the story and then change the characters and key parts to write our own versions.</p> <p>We will also focus on many cross-curricular pieces of writing, giving the children a purpose to write. This will include creating a menu, creating a plant diary and using non-fiction books to research another country.</p> <p>Grammar and punctuation: Children will be continuing to use capital letters and full stops in their writing, as well as commas, exclamation marks and question marks.</p> <p>Children will also be learning to spell days of the week, adding s and es as the plural marker for nouns and verbs and to add the prefix un.</p> | <p>This term we will be learning to use both written and mental strategies to add and subtract 2 digit numbers. We will also be learning to read and write numbers to 100.</p> <p>Additionally, we will be introducing length, height, weight and volume.</p>  | <p>Within our theme 'Where We Live' we will be covering the following subjects:</p> <p>Geography- We will name, locate and identify the four countries in the UK and learn the names of the surrounding seas. We will also be researching India and create a fact file comparing it to Chelmsford.</p> <p>History-The children will be learning how Chelmsford has changed over the last 100 years.</p> <p>DT - We will build structures using a range of different materials. We will develop a food vocabulary and try various foods from around the world.</p> <p>Music - The children will learn to play percussion instruments together as a group.</p> <p>Art - We will be learning about a range of different artists.</p> | <p>Science - The children will learn to name a range of common flowers and trees. We will grow our own plant and record its growth in a diary. We will also learn about deciduous and evergreen trees.</p> <p>RE - We will be covering bible stories and discussing their meaning.</p> <p>Computing - The children will be practising basic skills such as typing and mouse skills. We will create a presentation about India.</p> <p>PE- Gymnastics - we will cover balancing, travelling, simple rolls and creating a routine.</p> <p>PSHE- We will continue promoting the values of health and wellbeing through leading a healthy lifestyle. We will be discussing the differences and similarities between people and learn to respect them.</p> | <p>Please continue to read every night with your child and practice their spellings with them.</p> <p>This half term will have an emphasis on numbers. Please practise number bonds to 10 with your child- they should be able to quickly recall number facts without prompting. Can you go to 20?</p>  |

Advance Trip Notification
Chelmsford Museum-
Details to follow shortly.

Visit to the local park to identify various plants/trees- Details to follow next term.

Homework- Ongoing homework project (bring in week beginning 25/03).

This term we would like you to support your child in making a model of their home. Be as imaginative as possible and use any materials you have available. Please don't make the models too large as we will need to store them in the classroom! We will be sharing our models in the last week of term before the Easter holidays. We look forward to seeing all your models.

Additional Information

PE this term will be on **Monday** and **Thursday**. Earrings must be removed on these days.
Please ensure your child has a sensible named water bottle in school every day. Not too large or squishy bottles please!

As always, if anyone has any questions or queries regarding the above please do not hesitate to contact me.

Signed: Miss S. Burns
